The reply filed on January 14, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants have failed to adequately respond to the rejections set forth within paragraphs 3-5 of the Office action. With respect to the rejection set forth within paragraph 3, applicants have made no attempt to correct or explain the incorrect structural formulas of page 4. The structures must correspond to the cited chemical names to avoid ambiguity. A response has not been provided for the rejection set forth within paragraph 4. With respect to the rejection set forth within paragraph 5, the formula within claim 6 remains incorrect (the structure lacks a linking group between the hydantoin groups); the formula within claim 23 remains incorrect (the formula does not correspond to the structure set forth within page 4); and the lack of antecedence issue remains within claim 24. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to R. Sergent at telephone number (703) 308-2982.
